 - ❖ Lesson 1: Understanding the Hour and Minute Hand
- Please make sure you are practicing addition math facts with your child at night to help with their recall of their facts.

Schrift & Kalitzky

L.A. Log Reading

We read Me On the Map in our anthology, about a little girl who talks about what a map is and how we use maps. Keep encouraging your child to read at home because the more practice they get the better their will become. I have so many students that have turned in a bunch of reading logs. Keep up the great work! Students need 5 reading logs turned in by the end of the year. Please make sure you are practicing the sight words that your child doesn't know each night.

Writing

We spent the week writing a letter to Santa. We wrote reasons why we have been good and then wrote what they would like for Christmas. I sent a copy of the letters to Santa on Friday. We are hoping he writes us back before we leave for break.

Reminders

- Please remember to send jackets, hats, and gloves to school. If your child wear's winter boots to school please make sure your child has gym shoes to change into.
- Please send in your wrapped book for the classroom book exchange by 12/19. Please don't spend more than \$4 on a book.
- Our winter party will be on 12/20 at 1:00. Parents are welcome to attend and help out.
- We will be making gingerbread houses on 12/16 at 10:15. If you signed up to bring supplies for decorating please send them in by Friday. Then I will know what else I need to get this weekend at the store. Thanks!

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
