L.A. Log Reading

This week we read the story The Forest. This was a story about a class who took a field trip to the forest and all of the things that they see in the forest. Keep encouraging your child to read at home because the more practice they get, the better their reading will become. I have so many students that have turned in a bunch of reading logs. Keep up the great work! Students need 5 reading logs turned in by the end of the year. Please make sure you are practicing the sight words that your child doesn't know each night.

Writing

We wrote expository paragraphs this week about George Washington. We wrote timelines on Monday, rough drafts on Tuesday, and on Thursday the students wrote their paragraphs using the focus and wrap up sentence that was on the board. We are really encouraging students to focus on the mechanics of their writing.

Reminders

- In our One School One Book Masterpiece by Elise Broach we read the final chapters this week in class. All of the chapters that we have read so far are recorded and available on Oakland's website for you to watch at home if you would like. We had our final assembly for Masterpiece on Thursday where we wrapped up our One School One Book Experience. The kids loved listening to the story each day.
- Over the next few weeks I will be assessing students on skills for their 3rd quarter report card. Last week I sent home a list of the sight words that they need to work on reading. I will retest these again right before spring break. Please practice these words at home.

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
