L.A. Log Reading

We started reading groups this week. You should see a large Ziploc bag coming home 3-4 times a week (unless your child is reading a chapter book in his/her group). Please remove the paper book and keep it in a safe place for your child to reread. Send the bag back and we fill it with our next new book. Sight words for the year are posted and the children will be expected to be able to read, write, and recognize them. Please review these with your children on a regular basis.

Map Testing

We took MAP Testing this week for reading and math. We took this test in the learning center and will take both of these tests 2 more times throughout the year. We will give you the results at conferences.

Math Minutes

- Practicing Math Centers
- Topic 1: Understanding Addition
 - ❖ Topic Test
- Topic 2: Understanding Subtraction
 - ❖ Topic Opener and Partner Game
 - ❖ Lesson 1: Finding Missing Parts of 6 and 7
 - ❖ Lesson 2: Finding Missing Parts of 8
 - ❖ Lesson 3: Finding Missing Parts of 9

We started individual papers this week. Check your child's folder for what we are working on each day. I put math pages for the first topic in your child's Friday folder. These are extra and don't need to be sent back.

Reminders

- Please send in field trip money by 9/16, \$7 for students and \$5 for parents
 - If you would like to volunteer for the field trip please send me a separate message and send in your \$5 cash.
- Homework for next week's activities is attached to the newsletter.

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
