

READ OWL ABOUT IT!

First Grade

10/25/19

Upcoming Events

10/29	Dine to Donate Portillos
10/31	Fall Party 2:35
11/1	No School! SIP Day!
11/11	Picture Retake Day
11/11-15	Book Fair
11/27-29	No School!

Math Minutes

- Math Centers
- Topic 4: Addition and Subtraction Facts to 12
 - ❖ Topic Opener and Partner game
 - ❖ Lesson 1: Adding with 0, 1, 2
 - ❖ Lesson 2: Doubles
 - ❖ Lesson 3: Near Doubles
 - Lesson 4: Facts with Five on a Ten-Frame

We took our first timed test this week. If your child got 20 correct in 1 minute then they will move onto the next test. If they did not get 20 correct then they will retake the same test until they pass. Please practice addition facts at home.

Schrift & Kalitzky

L.A. Log Reading

We read Miss. Will's Ice Cream Shop in our anthology, and worked on making predictions while reading. Please make sure your child reads their guided reading book to you when they bring it home and write it on their book log. The Ziploc bags need to come back the next day so we can add a new guided reading book to your child's collection at home. Please keep these books in a special spot and have your child read them again and again.

Writing

We spent the week writing a narrative paragraph about our field trip to Rader Farm. We made webs about the things that we did at the farm and then wrote complete sentences for our details on Tuesday. The children wrote their paragraphs and I encouraged them to use details when writing their sentences to help the reader visualize their story.

Reminders

- Next week's homework is attached to the newsletter. (Sight words, purple graph paper, making word kits for the next story, and a math worksheet). Please remember to turn in purple sailboat writing and math worksheets when completed or at the end of the month with the signed pink homework calendar.
- Our fall party is on 10/31 at 2:35. All parents are welcome to attend!

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
